Project Name:

Project Location:

Proposal Due By:

Project Details

1.) What voltages are available?
 24 120 208 240 277 480

2.) Incoming Supply Voltage: 1 Phase 3 Phase

3.) Dimensions of the area to be melted (in feet):

4.) What types of materials will you embed cable or mat in?

Does the slab contain expansion joints?:

Concrete

Yes, please specify:

Asphalt

No

Concrete Beneath Pavers

Sand Bed Beneath Pavers

5.) Feet from Junction Box to Slab:

Junction Box Height Above Grade:

6.) Controls Needed:

Control Only

Control with Power Dist

Temperature Sensing

Moisture/Temperature Sensing

Controls Provide 30mA Ground Fault? Yes No

7.) Will the slab be insulated?

Perimeter Only

Below Only

Perimeter and Below

No Insulation

8.) What type of stairs are you snow melting?

Concrete Metal Pan Other, please specify:

How many steps are there?

What are the dimensions of any landings?

Step width:

Length x Width

Step depth:

Length x Width

Riser height:

Length x Width

Project Details (continued)

9.) Would you like us to propose M.I. cable or SR cable?

M.I. Roof De-Icing Cable Assembly Self-Regulating Cable Please Recommend

Comments:

Please fax or email a drawing of the slab and/or stairway.

Fax/Email Instructions

Fax Instructions:

1. Complete all required fields on this form outlined in red.
2. Fill out any additional fields that apply to your project.
3. Print this form using the "Print" button below.
4. Email to sales@newenglandelecsales.com.

Email Instructions:

1. Complete all required fields on this form outlined in red.
2. Fill out any additional fields that apply to your project.
3. Click the "Email" button below. A dialog box will appear to choose your email client.
4. If you are using an email application such as Microsoft Outlook, select "Desktop Email Application".
This will attach the file directly to a new email which will be ready to send.
If you are using an internet based email service such as Yahoo, Google, or Microsoft Hotmail select the "Internet Email" option.
This will prompt you to save the file, which you will manually have to attach in your email client.
5. Email this form to sales@newenglandelecsales.com.

If you need assistant please call us toll free at (603) 434-6705
